

ROGITH

Full Stack Developer (MERN Stack)

Chennai, Tamil Nadu. | nrogith@yahoo.com | +91 9025154014 | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

Professional Summary

MERN Stack Developer with 2 years of experience in building responsive and scalable web applications. Skilled in React, Node.js, and MongoDB, with a strong focus on clean UI design and efficient API development.

Experience

FeOS Technology, Chennai | MERN Stack Developer

Oct 2023 – Nov 2025

- Developed scalable web applications using the MERN stack (React, Node.js, Express.js, MongoDB).
- Developed RESTful APIs with JWT authentication and integrated dynamic, responsive frontend components.
- Designed responsive UIs and collaborated with designers to enhance user experience.

Freelance Projects — UI/Poster Designer (Part-Time, Ongoing)

- Designed posters, presentations, and landing pages using Figma.
- Created UI mockups for small businesses

Projects

Warranty Registration System

- Designed UI/UX and developed forms and dashboard for a warranty registration and claim system.
- Built an admin dashboard to review and approve claims, with automated user notifications upon approval.
- Ensured secure data handling using Express.js APIs, JWT authentication, and MongoDB integration.

Service Request Booking System

- Designed and developed a service booking system integrated with WhatsApp chatbot and website forms.
- Built an admin dashboard to verify service issues and assign requests to nearby mechanics.
- Designed a mobile interface for mechanics to manage assigned repair and service tasks during customer doorstep visits.

Education

B.Sc. Mathematics | Mazharul Uloom Arts and Science College, Ambur (2022).
Thiruvalluvar University

Certifications

- Web Designing Course | Saidapet, Chennai
- Microsoft Office Workshop | Mazharul Uloom College, Ambur
- ServiceNow Training (User Administration) | FeOS Technology
